

WORTH PARISH COUNCIL CALL FOR SITES

SITE NOMINATION FORM

Guidance

Please complete the following form in full to nominate land that you consider should be included in the Worth Register of Potential Development Sites. Failure to provide all required information may result in the site not being included.

In completing the form:

- Please use a separate form for each site.
- Enclose an Ordnance Survey map at a standard scale that clearly shows the extent of the site.
- Only submit sites that are available for development in the next 15 years.

Electronic submissions are preferred. Please send completed forms by midnight on 27 October 2017 to:

email: clerk@worthparishcouncil.co.uk.
 post: Worth Parish Council
 The Parish Hub,
 Borers Arms Road
 Copthorne,
 RH10 3ZQ

If you have any queries regarding this process please contact us on the above email or on 01342 713407.

About you

Name:	
Organisation:	
Address:	
Tel No:	
Email:	
Your Status (please tick all that apply)	<div style="display: flex; justify-content: space-between;"> <div style="text-align: center;"> Landowner <input type="checkbox"/> </div> <div style="text-align: center;"> Agent <input type="checkbox"/> </div> <div style="text-align: center;"> Other (please specify)... <input style="width: 100%; height: 20px;" type="text"/> </div> </div>

If you are not the landowner, or the site is in multiple ownership, then please submit the name, address and contact details of the land owner/s (if known):

Does the owner of the site know you are nominating the site?

YES

NO

About the site

Site Name:			
Address:			
Grid reference:	Easting:		Northing:
Total Area (ha):			
Developable Area (ha):			
Current use:			
Description of proposed use / development:			
Adjacent land use(s):			
Is there a current planning application on the site?			
Are there any environmental / policy / heritage / physical / infrastructure constraints on the site.			
Are there any legal constraints on the site that may impede development?			
Are there any other feasibility/ viability issues?			
Could interventions be made to overcome any constraints?			

Please attach a map (preferably at 1:1250 scale) outlining the precise boundaries of the whole site and identifying the part that may be suitable for development (if this is less than the whole). Without this mapped information we will be unable to consider the site. Where possible we would welcome electronic submission of GIS data (most formats) showing the site boundary.
